Exfoliating Scrub + Mask

A gentle deep clean 2-in-1.

Exfoliate with gentle hydrogel beads to remove excess oil and smooth the appearance of the skin's surface. Spend a few extra minutes masking to let charcoal zap dirt and pollution and help reduce the appearance of large pores. [Shop now](#)

Vitalizing Serum

Hydrate, plump, and renew.

Our breakthrough formula with USANA InCelligence technology combines two bioactive peptides and two botanical extracts to hydrate, visibly tighten, and restore skin's radiance. Clinical results show skin is noticeably younger looking after just one application. [Shop now](#)

It's the perfect duo for **real results.**
