†For our customers sensitive to gluten, dairy, or soy: no gluten, dairy, or soy are used in these products. However, they are produced in a facility that manufactures other foods that do contain gluten. These products are produced on equipment that also processes peanuts, tree nuts, eggs, wheat, sesame, and shellfish.

*Individual results may vary. The 5-Day RESET program lowers your daily caloric intake and recommends moderate exercise for best results. It is suggested that you take these products to your physician and secure their advice if you intend to change your diet, begin an exercise program, are pregnant or lactating, have allergies, are taking medications, or are under the care of a physician.

Children under the age of 18 should not participate in the 5-Day RESET program, except on the advice of their physician and/or dietitian.
