

Kick Things Off the Right Way, for Free

The Healthy Home has provided you with answers for making your house a healthy environment for your family. Now the purchase of the book could earn your new Associates a free Starter Kit. That's right, from **April 23 to May 7, 2011**, **each new Associate who enrolls online with a primary book code on USANAtoday and generates sufficient sales volume to activate a 1 or 3 Business Centers will receive a free BDS**. Even the shipping is free!

And if just the sound of the word “free” doesn't put a smile on your face, think about this: It's the BDS—the cornerstone of any developing distributorship. Every successful Associate knows the importance of the proper training, especially in the beginning. So it's not just a free gift, this promotion will get your new Associates off to a great start, too.

But something as great as Free Starter Kits can't last forever. What's the expression? Nothing free can be around for long—or something like that—so take advantage of this incredible opportunity before it ends on May 7. Just remember, sponsors who wish to participate in this promotion must have a primary book code on USANAtoday, and [opt-in/register](#). Sign up today!
