Congratulations on your decision to become a USANA Associate! While you should always follow the guidance of your USANA sponsor, we want to take this opportunity to share information with you which you will find to be helpful in building your USANA business.

Building a successful USANA business is not always easy, but it is extremely simple – if you have the information you need. We recommend the following:

- ✓ Download and review the USANA [Getting Started Business Workbook – US](#)
- ✓ Download and review the USANA [Jumpstart Magazine – US](#)
- ✓ Our USANA online business library will go a long way in helping you “keep it simple” while reaching, and exceeding, all of your USANA goals. You can find that information here: www.yourlinkstosuccess.com . Please save this link for future reference and sharing with your future USANA team members.
- ✓ We have also added your email address to our [Zdanis USANA Team](#) email distribution list, which is an outstanding source of information sharing for thousands of USANA Associates around the world. (If you should decide that you would prefer not to receive email messages from the distribution list, simply click on the “Unsubscribe” link which appears at the bottom of every message from the list.)

We will be in touch with you on a regular basis, but please do not hesitate to call on us anytime that we can be of assistance or support in your USANA business.

Our contact and social media information is listed below.

Again, Congratulations and Best of Success!
